October 17, 1952

The first Faculty Forum will meet October 21 at 7:30 in the faculty lounge. Mr. Jack Suggs who is in charge of the program reports that Dr. William Reed, who has spent the past year in the Holy Land, will talk on some of the recent archeological discoveries that influenced the recent revision of the Bible.

Other members of Brite College will participate in the discussion. We hope you will be present.
