MID-SEMESTER FAILING GRADES

November 15 marks the mid-semester for the Fall of 1952. A report on mid-semester failing grades is due to the Registrar's Office 9:00 A. M. Monday, November 17. A small report blanks available in the Registrar's Office upon call. This mid-semester report is only on "F" grades, but it is vital to all Deans concerned (especially the Dean of Students) relating to our program of counseling, so please report all "F" grades promptly.
