December 1, 1952

To the Faculty:

I have been asked by President Sadler and the Administrative Committee to notify all teachers that classes will be dismissed for the 11:00 a. m., Friday, December 5, Dedication Program for the new Science Building, to be held in Ed Landreth Auditorium. Members of Alpha Chi who are to act as ushers for that occasion are to be dismissed from classes from 10:00 to 12:00 a. m., in order that they may make proper arrangements to conduct seating and distribution of programs.

All members of the teaching staffs of the departments of Biology-Geology, Chemistry, Physics, Mathematics, Nursing, and Home Economics are to be backstage at 10:30 a. m., as well as Lt. Col. O'Hern and Lt. Col. Murray. Dr. Crenshaw will direct the Alpha Chi ushers and the on-stage seating arrangement for those designated above. There will be no formal faculty procession.

Dr. William Grosvenor Pollard, Executive Director of the Oak Ridge Institute of Nuclear Studies, will address the Convocation on the theme, "The Role of Science in a Christian University". President Sadler suggested that teachers should not only dismiss their classes for the hour but should attend the dedication and should urge their students to do so. ✓

Sincerely yours,

Noel L. Keith
