TO THE FACULTY AND STAFF:

Dear Friends:

The first of four Convocations to be held this week was at 9:00 A. M., this morning in Ed Landreth Auditorium. Another will be tomorrow morning at 9:00 A. M. Then on Thursday and Friday mornings the Convocations will be at 10:00 A. M.

Obviously the United Religious Council has arranged for an outstanding series of Convocations this week.

Attendance at the first session was not what it ought to have been. I believe we can represent much more fully our common interest in the basic objectives of the University by a greater effort to invite both faculty and students to attend each of these Convocations. Will you please announce these meetings in your classes and urge these students to attend with you.

Most cordially yours,

A handwritten signature in cursive script that reads "M. E. Sadler".
