THE MAY LIST OF CANDIDATES

A list of the candidates who are completing degree requirements as of May 31st has just been placed in the hands of each Dean and each administrative officer. As the list is rather difficult to handle through the faculty mail, we request that department heads desiring a copy call for one in the office.

The January completion list was issued some months ago and is not included in the May list recently issued. The two will be combined for the invitations and for the Commencement program.

A BRIEF NOTE TO THOSE WHO HAVE THE MAY CANDIDATE LIST

There is an error on page 9 of the list. Donald T. Terry will receive the B.A. instead of the B.S. Degree, for he is completing the degree before going to med school.

REPORT ON "F" GRADES DUE:

The mid semester comes this year on March 31. No examination schedule is planned; this is in the hands of each individual teacher. We will call for the mid semester "F" grades on all students. These are due in the Registrar's Office not later than noon on April 1. When these grades are in hand, a run is made for the Dean of students that he may follow through with the needed counseling through the help of his staff. It is exceedingly important that these grades be turned in on the date indicated. Blanks are available in the Registrar's Office. Use an individual blank for each grade. Thank you for your prompt attention to this matter.

S. W. Hutton,
Registrar
