

GENERAL FACULTY MEETING

The General Faculty Meeting will be held in Ed Landreth Auditorium 4:00 p.m. Wednesday May the 13th. Mr. Noel Keith will discuss the topic "The Climate for Texas Christian University's Advancement".

Leslie P. Evans, Chairman
Faculty Program Committee

ATTENTION FACULTY

Approximately 300 TCU students have been selected, by random sample, to represent our school in a nation-wide survey being undertaken by the Department of Health, Education, and Welfare of the United States Government. The survey is being made to determine the costs students incur in attending colleges.

Since the success of the project depends heavily on a high student-response rate, all students who are chosen to participate in the study are urged to complete the forms and return them promptly.

The teaching staff can render a valuable service, by calling attention to the study in their classes and urging those who have been included in the sample, and who will be receiving the questionnaire during this week, to complete the information called for and return it promptly to the Office of the Registrar, not later than Saturday, May 16, 1953.

President M. E. Sadler

S. W. Hutton, Registrar

CREATIVE WRITING MEET

The Creative Writing Meet sponsored by the Department of English will be Thursday and Friday, May 14, 15. Two of our own former students, Siddie Joe Johnson and William Barney, will speak at 4:00 and 7:30 respectively on Thursday in the Study Lounge. Dr. George Williams, novelist and Rice Institute professor, will speak Friday at the Assembly at 11:00 in the Ed Landreth Auditorium, and again at 3:00 in the Study Lounge. You, your families, friends, and students are invited to all meetings. We especially need your cooperation in making this expanded program successful.
