To Faculty of T.C.U.

According to the 1953-54 catalog and a letter from Dr. M. E. Sadler the Student Welfare Committee will take over the duties that the Academic Honesty Committee has had in the past. It is the desire of this Committee to function in such a way that the best interests of faculty and students will be accomplished. In order to do that it is absolutely necessary to find out what the faculty wishes the Committee to do and how it should be done. I'm sure you are very busy at this time of the year, but I hope you can find time to let me know how you feel about this. On page 47 of the 1953-54 catalog you will find a reference to 'cases of dishonesty.' I hope you will be very frank in stating your opinions. In order to assist your thinking, I am listing several questions.

Charles R. Sherer
Chairman, Student Welfare Committee

1. Should all cases of dishonesty be left entirely in the hands of each individual teacher?

2. Should the Committee follow the same general plan as in the past?

3. If changes should be made, what do you propose?
