

FACULTY BULLETIN

Vol. XXX

June 11, 1953

No. 1

THE SUMMER ENROLLMENT

While final figures are not yet available, for registration continues as this issue of the Faculty Bulletin "goes to press", we are positive that the enrollment will reach and very likely exceed that of 1952. Registrations have come from May (pre-registration), June 8; Evening College, Brite, Graduate Education, Consolidated, Carswell, Gay Street. Registration will close June 12. Thanks to everyone.

ADMIT TO CLASS CARDS

To meet popular demand the "Admit to Class Cards" have been used for the Summer students. By the time this word reaches you an "Admit to Class Card" should be in your hand for every student you are teaching. Make your own preliminary roll from these cards. Please do not retain a student in class on whom you do not have an admit card or an add card revealing his registration.

DROPS, ADDS AND CHANGES

These we will always have with us for there are errors in registration, people change their minds, classes are eliminated, new classes are formed. These drops, adds, and changes are being processed as of June 10 and 11.

AUGUST CANDIDATES

Summer School graduation date, Sunday, August 30, will be upon us before we realize it. All names for the list of candidates are to be submitted by June 15 through the offices of our Deans. To process these names is a long tedious job. Kindly turn in the names promptly. Petition sheets must accompany each name submitted.

Thanks for Listnin'!

S. W. Hutton,
Registrar
