JUST A REMINDER

1. In the Faculty Bulletin of last week each member of the Summer Faculty received the schedule on which the grades for the first term are to be submitted. We will appreciate your response in line with that urgent request. Please report through your Dean.

2. By concentrating all of our efforts on registration next Monday, July 20, the activities of the day should move along with ease and accuracy. You have in hand the Registration Instructions mailed to your office last week.

3. You may announce in your classes that students who registered for the full twelve weeks at the opening of the Summer may have time off Monday, July 20, unless there are drops, adds or changes. Any corrections should be made Monday.

NON-PAYING STUDENTS
