REPORT OF ABSENCES

In a letter to the faculty recently Dean Richardson asked the teachers to turn in the report of absences. The reports could include (1) Any students on your rolls who have three or more absences, giving dates; (2) In remarks section, state any information that you may have concerning cause of absence; (3) Use the printed absence report card; (4) Continue to report all who accumulate three absences consecutively or occasional absences to the point of endangering status in class.

THE UNITED FUND

Contributions to the United Fund are coming in daily. We now have some \$1300 of the \$3,000 quota we hope to meet. As you know, each employee of the University is asked to give one hour's pay per month. Many have gone over this amount. Please do not set this as a maximum -- give all that you can! We greatly appreciate your fine cooperation.

Estus C. Polk, Chairman  
Solicitation Committee.

GAME MOVIES

The showing of the Michigan State game film by A. D. Dutch Meyer was well received by the faculty last week. A good crowd turned out in Room 112 of Science. With just a little urging, Dutch might be persuaded to show any game picture you folks want to see. Call him or Dr. Henry Hardt, Athletic Council chairman.
