THANKS ON CONFERENCE

Our first annual Citizenship and Career Conference for high school seniors last Friday seems to have been something of a success. We had some 1,000 youngsters from 45 high schools and their comments, as well as those of their sponsors, have been most gratifying. Many were so enthusiastic that they wrote on their cards: "A wonderful school. Will enroll next fall!"

The businessmen downtown, who took part, were just as pleased. In the next week or so, we will furnish to every dean a list of the seniors who attended with the suggestion that they (the students) receive a personal letter. Can help a lot.

We want to thank all of you who did so much to make the event a success. Especially Dr. Leslie Evans of Education did top work as well as the boys of the ROTC who were outstanding as guides and greeters. Ernest Lawrence who sang so well, Lew Gillis' stage band that stole the morning show, and all the others did noble work. THANKS A MILLION!

FACULTY LUNCHEONS

We hope that all of you have received by now the letter from Dr. Sadler investigating the possibility of noon luncheons for the faculty. We hope that all of you have answered.

Many feel that we need to get together more often on an informal basis to chat and discuss things. Could be a daily affair, weekly or what have you. Let Dr. Sadler know your feelings.

EX-STUDENT WORK MOVING

Hartwell Ramsey, new director of Ex-Student Activities, held a long session with the board of the Ex-Student Association in the board room on Saturday. They got a great deal done and cleared the decks for some real work in this area.

The new-style Exes bulletin is now being readied for the press. It will appear every two months under current plan. If you have any ideas in this field, why not drop by and chat with Hartwell? He'll be happy to see you.

DEAN SOWELL LEAVES

Dean Ellis Sowell of Business left for his new job in New York this week. He addressed a letter to all TCU folks and we hope you got your copy. He's still pulling hard for the University and asks that any of us call on him for any help he can give.

Anybody heading for New York one of these days might give him a ring. Know he'll be most happy to hear.

DEAN HALL HONORED

Dean Colby D. Hall was the subject of a full page article in the Christian-Evangelist this past week. Written by a TCU ex-student, George C. Stuart, minister of the First Christian Church of Bloomington, Ill., it is entitled "A Pastor's Pastor." The quote was from Dr. Granville Walker of University Christian Church and a member of the TCU Board.

Dean Hall's new book, "Texas Disciples," is moving well. The kindly young author has been autographing copies for any who wish same. The book is certainly a scholarly study.

CLASS FOR MOTHERS

Dorothy Bell of Speech Clinic has come up with a new class of great service. It is for mothers of hard-of-hearing children and was started after Dorothy noted how much good such mothers can do with their children after a little training.

There were 12 in the class early and there may be more. A real service in a needed area.

Walker James.

CHAPEL CONSECRATION FRIDAY

Beautiful Robert Carr Chapel in Religion Center will be opened with a special consecration service Friday afternoon at 4 o'clock. Dr. Sadler will preside with Dr. Elmer Hensen as speaker and Robert Carr himself as a special guest.

All members of the faculty and their families are especially urged to attend. The Center will be formally dedicated in special services in May.

DR. SADLER AND MISTER BRANNON (Continued)

Byron Brannon, the cage coach, musta forgot over in Dallas last Saturday. Dr. and Mrs. Sadler, over on afternoon business, remained for the game with SMU. The president admitted that he had to get up a time or two and go out for some air--when the score mounted and got real close. Brannon finally won, 85-84.

"I felt like joining him a couple of times," said the coach. "Those kinda games have gotta go."

PURELY PERSONAL

Dr. D. Ray Lindley, the veep, will have a checkup soon for some frequent headaches. He'll never escape 'em all--of the problem variety, that is.

Sure good to see Dr. Troy Crenshaw back home. Know he had a good time at North Texas, but he belongs here.

Dean Jerome Moore's first AddRan Catalogue is now being put into page proof. A swell job. He has the Summer Bulletin coming soon.

It strikes us that Prof. L. W. Ramsey is doing a great job as superintendent of buildings and grounds. Good work!
