POSTING OF GRADES

The Student Campus Welfare Committee reports a number of complaints from students to the effect that some teachers failed to report semester grades at the end of the Fall Semester.

Our faculty regulation calls for all faculty to post grades immediately at the end of the semester.

"TEACHING ABROAD"

The UNESCO publication, "Teaching Abroad," invites all teachers who are interested in teaching abroad to submit personal data sheets to them. Information is printed in the quarterly issues without names and teachers using the service do not commit themselves. Negotiations, after the initial inquiry, are between the teacher and the host university. The publication is circulated to over 600 institutions in different countries.

Additional information may be received through Dean DeGroot's office.

FOOTBALL GAME SATURDAY

The Frogs end spring football training with a big game Saturday afternoon at 2:30 in the Stadium. Abe Martin's boys have been looking very good.

"CUP OF FURY" OPENS

Don't forget the Little Theater production which opens Friday night. An original play, it is said to be very good indeed. Make your plans to attend now. S. Walker James and Walther Volbach have labored long and hard on the show.

FACULTY MEETING SCHEDULED

IT'S PETITION SHEET TIME AGAIN!

All members of the staff of the University charged with keeping petition sheets up to date are requested to forward these to the Dean of each school primarily concerned not later than Saturday of this week, that the Dean in turn may forward these items to the Registrar by Monday, Feb. 22.

Please bring the petition sheets up-to-date in each case, so courses which students are currently enrolled in are shown, and report only those petition sheets on students who are candidates for graduation as of May 30, 1954.

Your immediate help in processing these important documents will be appreciated.

Signed - S. W. Hutton, Registrar.

HIGH SCHOOL VISITATIONS

Dr. Otto Neilsen reports a very fine visit with schools in The Valley. Thinks we may get 18 students from one school. Dr. Leslie Evans and others were busy visiting nearby schools this week. These personal visits have proved very helpful and we hope all who can will take part. Dr. Richardson heads the committee.

Last week, The Skiff suggested that students might be included on the visiting team. Sounds like a swell idea--if they have time.

PURELY PERSONAL

Our sympathy to Mrs. Leo Hendricks on the death of her mother, Mrs. F.H. Collins, Monday night.

Dr. Walther Volbach and Dr. E. L. Pross attended a meeting of the Texas Educational Theater Association last Friday and Saturday. The meeting was at Arlington State College and both professors participated in a discussion on voice and diction. An outline drawn up by a group headed by Dr. Volbach was also discussed.

L. R. (Dutch) Meyer, the A. D., returned to coaching a bit this week. He is helping Walter Roach with the baseball team, tutoring pitchers.

Lt. Col. Bill Murray turned science lecturer this week. Gave a talk on oysters to kids at Carlson Elementary--with slides borrowed from Willis Hewatt. Rumors say that Bill knows more about EATING oysters than about their habits, culture and literature.
