

FINE VESPER SERVICES PLANNED
THIS WEEK'S SPOTLIGHT PERSONALITY:

Dr. Willis Hewatt, chairman of biology-geology, on the occasion of his 15th annual marine biology trip to the Gulf Coast. With wife Elizabeth (staff member and retiring president of Faculty Women's Club), they left Thursday with a party of 41.

Born in Gainesville in 1904, Willis G. Hewatt graduated from Fort Worth Poly high; took BA from TCU in 1927 and MA in 1929. He won his Ph.D. from Leland Stanford in 1933. From 1929-1931 he was chairman biology-chemistry department of Tyler Junior College; taught summers at North Texas State and Leland Stanford, 1929-1934.

He came to TCU in the fall of 1933 as assistant professor of biology, was made associate in 1937, full professor in 1940 and department chairman in 1953. He held a TCU fellowship 1927-29; the Royal Victor Fellowship at Stanford 1933; was president of the Texas Academy of Science 1952; was president North Texas Biological Society 1939. Is a member of half dozen learned societies with strange names such as "Limnologists, Herpetological, Systematistic, Ecological."

Fun-loving and hard-working, Willis is a TCUer of the TCU's. Even his daughter Joan married cage star Johnny Swaim. He has another married daughter, Beth. His mother-in-law, Mrs. Georgia Harris, was TCU dietitian for many years. TCU is a family career for the Hewatts.

As expert on oyster and marine life, Dr. Hewatt has worked summers at L. S. U., University of Puerto Rico, Woods Hole, Mass., and the Virginia State Fisheries Lab, Yorktown, Va. Hardy and happy, the Hewatts like to camp out on trips or while doing lab work. They are highly popular with their students.

For their great contribution over many years, for their fine spirit and devotion, for their scholarly attainments, for being "just folks," the Bulletin salutes the Hewatts-- all of them.

TCU NIGHT AT BASEBALL GAME

Monday evening, May 3, will be TCU night at LaGrave Field. The night is being sponsored by the student "Y" group on the campus and for every ticket sold to the ball game that night by a member, the "Y" will receive 50%. Regular Texas League prices prevail and tickets may be secured from any member of the "Y", from Dean DeGroot, or from the undersigned. A fine pre-game program is being planned in addition to the game between the Cats and San Antonio, so c'mon out, see a good baseball game, and in addition you will be supporting a very worthy campus organization. The young men and women in the "Y" need your support!

Signed: Robert E. Robertson.

OooooOooooO

FINE VESPER SERVICES PLANNED

The United Religious Council has lined up an outstanding series of Vesper Services for Wednesday afternoons, 4:30 to 5:15 the next few weeks. Drs. Pat Henry Jr. of Dallas and Chester Swor of Jackson, Miss., were speakers on April 7 and 14.

On April 21, Rev. Lewis Martin of Fort Worth will speak, followed by Dr. Gaston Foote on May 5 and Rev. Earl Waldrop, San Antonio, on May 12. An April 28 speaker will be announced later.

Dr. George Fowler points out that these services are open to both faculty and students. They are well worth attending.

#####

TCU-BRITISH STUDENT EXCHANGE:

The English-Speaking Union, Fort Worth branch, is trying to arrange for a TCU-University of London student exchange. Any TCU student who is male, between 19 and 25, with one or more years of college is eligible.

The plans call for the Union to pay transportation, including ocean trip and inland passage, while the parents or guardian of the TCU student would pay all the normal expenses, such as tuition, board, etc., of the British student at TCU. The British parents would pay like expenses for the TCU boy at the University of London.

Sounds like a good deal. A TCU student can get a year in London at the same expense of attending TCU for the year. If you have any interested students, tell them to apply to Dean Richardson before May 15.

EVENING COLLEGE STUDENTS EXHIBIT

An exhibit of paintings and handicrafts by students in the Evening College is now being shown in the Fine Arts gallery. Dr. Calkin points out that most of the members of the class are doing the work as a hobby. The gallery is open from 8 a. m. until 10 p. m. The exhibit will last through Sunday, April 24.

.....

DR. HASTINGS' WORK USED

The University of Rochester has asked permission of Dr. Paul Hastings to use his dissertation, "A Canada-United States Customs Union," for a Canadian Study Series to be published on microcards. It is quite an honor. Nice work Paul!

#####

EXCUSED ABSENCES

DO YOU HAVE THAT REGALIA?

Everyone is reminded that the big dedication ceremony for Religion Center is now drawing near (May 9). It will be one of the biggest days in our history and the academic procession will move from the Library to the Center Lawn through thousands of people.

We are hopeful that procession will be one of the longest and most colorful ever. But to be that, every faculty member will have to be in full regalia and ready to take part. How about you?

This is most important. Let's really do a good job.

READING YEARBOOK PUBLISHED

Edited by Prof. Oscar S. Causey and published by the TCU Press, "What the Colleges Are Doing in Reading Improvement Programs" is an interesting booklet. There are articles by leading authorities in the field, first given as lectures during the Southwest Reading Conference. A fine job indeed.

OooooOooooO

PURELY PERSONAL

Dr. Irene Huber took a group of students to SMU last Friday to attend a meeting of TAGS (Texas Association of German Students). Sixty-eight TCU students belong to the organization. One of the features of TAGS is a monthly newspaper by the same name, to which students from the colleges of Texas contribute. It is printed in German.

Dr. J. W. Hammond will deliver a paper on "The Indian As a Factor In the Basic Background of American History" tomorrow at a meeting of the Southwestern Social Science Association in Dallas.

Dean Jerome Moore addressed the Etta Newby Club Tuesday on "Western Hemisphere Solidarity."

Warren K. Agee will address the Arlington Heights high school chapter of Quill and Scroll at an awards dinner in Claris Stoval tea room at noon Saturday.

EXCUSED ABSENCES

Please permit the following students to make up work which they may have missed while on a field trip Friday, April 9, editing the Hillsboro Daily Mirror:

ENTOMOLOGISTS SCORE

Contributors to the I.B. Fund Campaign recently received a letter from the Society thanking out the work done during the year.

The item was the progress report covering a five-year period made by the Society and the ICU Entomology Department. Next week Dr. Robert Talbot and Morris. Real public service.
