### UNIVERSITY ENDS 81ST SESSION

With Commencement exercises in the stadium Sunday night, TCU ends its 81st long session. When the doors were opened at Thorp's Spring in the fall of 1873, there were 13 students. Through the long years and many vicissitudes, the work has grown in scope and importance. We have a right to be proud.

The session coming to a close has been a good one. The Religion Center was put to use and dedicated. Student Center was started. Many new plans for growth in many areas were drawn up. Faculty, students and administration worked more closely together and in greater harmony than in many years. It was a good session.

President Sadler and Vice-President Lindley wish to express their heart-felt thanks to everyone. They're proud of their "team."

Now we look forward to 1954-55. Indications are good for a fine enrollment next session. There will be good work to challenge everyone of us. Let's be ready to roll in September!

EXCUSED ABSENCES

In order to clear the records on the freshman baseball players, they were actually absent from classes on May 4, in order to participate in a game at Waco.

The game was originally scheduled for April 30 but was rained out, thus was postponed and played the following week. We would appreciate it if you would please excuse their absence on May 4. The excuse list was sent in for the 30th of April.

Signed: Walter Roach, Baseball Coach.
