HOME COMING

the time the Bulletin reaches most of you good folks, the 1954 Homecoming will be in swing. Let's all help to make it one to remember. Give the exes a real welcome, where you see 'em on campus. And DO make as many of the events as possible. Your presence will add greatly to every affair.

Remember the following:

- Thursday: 11 a. m. , Homecoming Pep Rally, Ed Landreth.
(Urge all your students to attend).
- Friday : 3:30 p. m. , Homecoming Parade, downtown.
8:30 p. m. , Bon Fire (West Quadrangle.)
9:30 p. m. , Homecoming Dance, Student Center Ballroom.
- Saturday: 11:30 a. m. , Exes Banquet, Student Center First Floor.
2:00 p. m. , Game with Baylor.
5:00 p. m. , After-Game Dance, Student Center.

Remember, while no classes will be dismissed, all are urged to work with the students this week as they prepare floats, decorations, etc. and especially Friday afternoon when all ROTC units, band, and various organizations are taking part in the parade.

LET'S MAKE IT A REAL HOME COMING THIS TIME!

PURELY PERSONAL:

Nov. 3, 1954

No. 8

Congrats to DR. MARTINE EMMERT and all others in Education on that Conservation program in Weatherly. Reports have been very good.

Although we won the game with Penn State, COACH ABE MARTIN was a worried man at Saturday night. Made four trips to the hospital to check on the condition of Buddy etc.

ES. M. E. SADLER didn't get to Miami after all this week. Too many pressing things. He may get to kiss the Homecoming Queen although the likes of Hartwell Ramsey and Amos Melton are hoping he'll delegate the job. Noel Keith applied but was rejected being too young.

Big posey to RALPH GUENTHER on that opening orchestra concert. Everybody was impressed. A bow to EMMET SMITH and KEITH MIXSON for their featured work.

OL. JIM CROSS of Army ROTC has lined up a real afternoon for his cadets on Nov. 18. All have some helio-kopters around to give 'em a ride and reports are that some members Military Affairs Committee will chance it too (Mrs. Richardson, Mrs. Moore please etc.)

HENRY KEY, MARJORIE KEATON and LOUISE HAGUE of Business attended a two-day conference of Teacher Education in Mineral Wells last weekend.

HARRY MUNRO's new book, "Protestant Nurture," will be published by Prentice-Hall of N. Y. It will be used as a textbook in colleges and seminaries.
