

FACULTY BULLETIN

VOL. XXXI Jan. 5, 1955 No. 14

THE NEW YEAR

Are YOU still writing "1954" instead of "1955"? It takes time, it takes time!

From reports reaching The Bulletin, seems most every one had a fine Christmas and is off to a good new year. And come to think of it, the old year was a mighty good one for the University. We dedicated the Religion Center, put parts of the new Student Center to work, completed Coach Buster Brannon's practice gym and spudded in the fine new boys' dormitory. Enrollment was up a bit, students for the most part seemed more serious and interested, school spirit went up a notch or two and Abe Martin's gridmen won four games as against three.

Yep, things are looking up generally and if we hold the pace, 1955 should be just as good. On the docket: Formal dedication of Student Center; completion of new boys' dorm (by September); maturing of other plans in many areas of activity. There's work to be done.

555-555-555

SPRING SCHEDULES READY

Registrar Calvin Cumbie reports that the schedule of classes and registration instructions for the Spring semester are now available in his office.

Incidentally, it's a neat package -- all done up in one booklet ready for use. The credit goes to Dean Moore and his righthand gal, Dixie Henry.

555-555-555

NEW GENERAL INFO CATALOGUE READY

The new issue of Part I of our catalogue, "General Information," is now available in the Printing and Mailing Room. We hope to get them into the hands of any and all prospective students in the next few weeks.

The arresting cover is by Leonard Logan who describes the work as "aggressive, shouting for attention." No one can deny that it is unusual. There are a half dozen new pictures, a new map of the campus and corrections and changes on almost every page.

If YOU know any prospective students, let's get one of the little catalogues into their hands.

555-555-555

NOTE: In compliance with a recent decision of the Deans' Council, Friday, Jan. 14, will be the last day for dropping a course.

NOTES OF FOLKS OF NOTE

FACULTY DINING ROOM READY IN STUDENT CENTER
T. SMITH McCORKLE, dean of Fine Arts, was in Los Angeles last week for the meeting of the National Association of Schools of Music. Dean is serving his second term as regional vice-president of the Association.

That was something -- getting the NOEL KEITH's Christmas card from California. A right pretty one, too.

JACK SUGGS, GLENN ROUTT and BILL REED of Brite were all in New York at year's end for a number of meetings in their field.

CARLETON CALKIN will attend the Convention of the College Art Association in New York on Jan. 27, 28, 29. He will be the only speaker from the Southwest -- and in fact, the first man from our area to appear on the program of this group. Quite an honor for man and school, we'd say.

Also in convention: CY LaGRONE at the three-day affair of the Southwestern Psychological Association in Oklahoma City.

WALTHER VOLBACH has been made a member of the advisory board of the American Educational Theater Association after several years as chairman of the Curriculum Project and the Opera Project.

REGULATED ABSENCES
New chairman of the committee on Science Education of the Texas Academy of Science is WILLIS HEWATT. (Aside: And he's got the redheadedest grandson you ever saw.)

In New York this week: HENRY HARDT, DUTCH MEYER, ABE MARTIN and AMOS MELTON for the annual meeting of the NCAA. Dutch will stay over a week as he's the SW rep on the National Football Rules Committee. Melton and Martin went to fill out the delegation (and for fun); Dr. Hardt was to do the work.

In order to participate in a basketball game in Fayetteville, Ark., the following boys are absent from classes from 5 p. 555-555-555 Jan. 3, until Wednesday, Jan. 5, at 10 a.m.

FACULTY LUNCHEONS:

Don't forget that the faculty luncheons at noon on Wednesdays in Weatherly Hall will continue on Jan. 12-19. However, the next week, Jan. 26 (during final exams) will be an off week -- NO LUNCHEON.

We'll have a new series of faculty events starting in February with the new Semester. 'Tis hoped that everybody will be able to attend.

SCHEDULE OF FINAL EXAMINATIONS - FALL SEMESTER
January 24-28, 1955

Faculty Bulletin - Jan. 5, 1955

NOTE: In compliance with a recent decision of the Deans' Council, Friday, Jan. 14, will be the last day for dropping a course.

FACULTY DINING ROOM READY IN STUDENT CENTER

Logan Ware and Elizabeth Youngblood of Student Center staff call the attention of all to the fact that the faculty dining room is now ready for use. It is located just off the main cafeteria and will seat around 40.

"We cordially invite all faculty and staff members to use the room," Miss Youngblood said. "After going through the regular cafeteria lines they may take their trays directly into the room set aside for their use. We hope the spot will become a gathering place for faculty during the noon hour."

555-555-555

SCHEDULE OF FINAL EXAMS, FALL SEMESTER

Registrar Calvin Cumbie announces that the schedule for final examinations is now ready. There's a copy attached, but if additional copies are wanted, they are available to both faculty and students in the Registrar's office.

555-555-555

EXCUSED ABSENCES

Harry Winters and Joe Robillard. These boys were involved in an auto accident on their return to the Campus. They were detained for two days and requested that their instructors be informed that their absence from classes was not deliberate.

Signed: C. J. Firkins, Dean of Men.

In order to participate in a basketball game in Fayetteville, Ark., the following boys are absent from classes from 5 p. m. Monday, Jan. 3, until Wednesday, Jan. 5, at 10 a. m.:

Virgil Baker
Buddy Brumley
Bill Estill
Tommy Hill
J. Bryan Kilpatrick

Albert Lampkin
James O'Bannon
John Pickens
Richard O'Neal
Delbert Tucker

Ray Warren
Charles White
Jim Brock, Publicity
Dave Hicks, Manager

... Jim Cross has extended a cordial invitation to all faculty members and
... to drop by before or after the Student Center open house and take a look. It
... certainly be worth your while to know some of the training being given and equip-
... ment being used by the ROTC.
