NOTES ON FOLKS OF SOME NOTE

ALL HANDS INVITED TO SORORITY DEBUT

Next Sunday at 2 p. m. , the eight National sorority chapters will be formally installed on campus. Opening event will be a convocation in Ed Landreth Auditorium at which Dr. Ray Lindley will welcome the groups and Dr. T. F. Richardson will accept the charters. Immediately afterward there will be a tea and reception in Student Center.

All members of the faculty and staff are most cordially invited to attend both functions. We will have some most distinguished guests on campus including National sorority officers from all over the country. Let's make it a real big occasion and show our visitors they're welcome.

DELEGATION TO CHRISTIAN CONVENTION

A dozen or so of our people will be in Galveston next week for the 68th Annual Texas Convention of Christian Churches. Dr. Sadler will address a general session on "Christian Higher Education" on Monday, April 18. It may be a significant session for TCU.

Also taking part will be Dr. Noel Keith, Mrs. George Fowler, Dr. Ray Lindley, Art Wenger, our "Singing Seminarians" under Donald Clingan, S. W. Hutton, Henry Key and several others. Mrs. Fowler is second vice-president and Dr. Sadler a member of the board.

FINE ARTS POISED FOR TOUR

The annual spring tour of our Fine Arts groups through West Texas gets under way next Monday. Dean T. Smith McCorkle will command a caravan of eight cars, a truck, station wagon and special van for equipment.

The groups will present a stage version of "Hit The Deck" in modern settings in Abilene, Midland, Odessa, San Angelo and Amarillo. Auditions for high school seniors and junior college grads seeking further study will be held.

From reports of past tours, the annual spring event is very fine public relations for the University. There's a whale of a lot of hard work involved, of course, but those in charge are certain it is worth it. The campus wishes the group every success.

NOTES ON FOLKS OF SOME NOTE

E. L. PROSS and BILL GARBER of speech-drama-radio attended the Southern Speech Association convention in Memphis April 7-8. They served as chairmen for sectional meetings on "Problems of Extra-Curricular Forensics" and "Problems in the Classroom Teaching of Forensics."

OTTO NIELSEN will appear on WBAP-TV at 3 p.m. the afternoon of April 17 on a program called "Family Affair" and sponsored by the Junior League.

As a member of the permanent Public Relations Committee of the International Convention of the Disciples of Christ, AMOS MELTON will spend April 19-21 in Indianapolis.

PERRY GRESHAM, former minister of University Christian Church and now president of Bethany College, was a visitor over Easter. He had a field day shaking hands of old friends.

BILL REED of Brite reports he has 20 folks lined up for his flying tour of the Holy Land this summer. That's enough already to assure the venture.

CLAUDE PEARCE, one of our own grads and recently minister of the church at Marfa, is taking over the printing and mailing room from ARTHUR HUNT who will go into the ministry. Art has done a fine job since taking over from NEIL GUY. Claude has had wide experience in printing and will be most helpful in problems in that area.

BULLETINS NOW AVAILABLE

If you haven't heard, the annual General Information, AddRan, Fine Arts, Summer School, Harris College of Nursing and Graduate School bulletins are now available in the Printing and Mailing Room.

Now in the mill and out soon will be Brite College Caller, School of Business, and School of Education bulletins. Again, the bulletins are good promotional pieces, so if you know of any students interested in a certain area, you might pass the information along to that School or College.

DISPLAY AT AMON CARTER FIELD

In the near future, three of the display windows in the lobby of Amon Carter Field will blossom out with material from the three Fort Worth Schools, courtesy of Texas Electric Service Company. TCU will have a fine panel of pictures and catalogues for visitors to contemplate during stops. Wednesday, April 6, beginning at 10 a. m. in order to participate in a track meet in Denton.

Incidentally, a picture of the steeple of Robert Carr Chapel is the cover shot on the new booklet of all Disciples of Christ schools put out by the Board of Higher Education. Real nice.

DEAN MOORE TO AUSTIN

Jerome Moore of AddRan will attend the Association of Texas Colleges meeting in Austin this week as TCU representative. He is vice-president of the body and will preside at a general session on April 16.

Otto Nielsen will be a panel member at the meeting of directors and deans of supplemental programs being held in connection with the Association meeting.

SHORT COURSE FOR TRAVELERS

That's an interesting course of five lectures Cortell Holsapple has cooked up for prospective foreign travelers. Sessions will be held on Friday nights in Student Center the last week in April and through May.

Lecturers will include Bita May Hall, A. T. DeGroot, Bill Reed, John Hammond, W. C. Nunn, Troy Crenshaw and Estus Polk. If you have any friends who will be interested in what to wear, see, eat and drink, study and visit, why not tell them about the short course? Dean Holsapple has the information.

EXCUSED ABSENCES:

The following students will be absent from classes during the week of April 11 through the 15th, to take part in Tennis Matches with colleges in Oklahoma. It is requested that they be granted excused absences and an opportunity to make up lost work.
