

FACULTY BULLETIN

VOL. XXXI Aug. 17, 1955

No. 35

All members of faculty and staff are reminded of the Summer Commencement

FROM THE REGISTRAR

INSTRUCTOR'S CLASS REPORTS: Class Rolls for courses ending on Friday, August 26, will be due in the Office of the Registrar at 12:00 noon, Saturday, August 27. In the case of undue hardship in meeting this date, instructors may submit them not later than 9:00 a. m., Monday, August 29. The necessity for this prompt submission is in order that we may comply with various requests for teacher certification, transcripts to public school officials and transcripts of summer school students who will attend another institution during the Fall Semester. Class Rolls will be provided by the IBM Section on Tuesday, August 22.

GRADES ON GRADUATING STUDENTS: In order that the printers may have sufficient time for the preparation of the Commencement program, it will be necessary that grades on those students who are candidates for degrees, reach the Registrar's Office not later than 12:00 noon, Wednesday, August 24. Class Rolls will be provided indicating those students who are candidates for degrees.

FALL REGISTRATION: The Fall Semester officially begins on Monday, Sept. 12. Counseling of returning students and transfer students above freshman rank has been scheduled for Monday, Sept. 12 from 8:30 until 11:30 a. m., and from 1:30 until 4:30 p. m. Counseling activities will be centered in the Science Building, as announced in the booklet "Registration Procedures and Schedule of Classes." This publication is available in the Registrar's Office. At least one copy will be provided by faculty mail.

Signed: Calvin A. Cumbie, Registrar

LIGHTS OUT!!

All electricity on campus will be off from 8 a. m., August 29, through that day and night and all through August 30. It will probably be turned on some time during the night of August 30. Dr. Lindley asks that we arrange our work accordingly.

IT'S A BOY FOR THE DALES

Dr. Edward E. Dale made with the cigars in a big way on July 20. A new baby, a boy, arrived almost on time. Mother and new arrival are doing very well, thank you.

SUMMER COMMENCEMENT SCHEDULE

All members of faculty and staff are reminded of the Summer Commencement schedule and urged to take a full part.

Baccalaureate will be held in University Christian Church at 9:30 a. m. , Sunday, August 21. The processional will begin promptly on time. Elmer Henson, new dean of Brite, will deliver the sermon.

Commencement is due at 8 p. m. , Friday, August 26, in Ed Landreth. Dr. Logan Wilson, president of the University of Texas, will be the speaker.

OoooooOoooooOoooooO

DR. NIELSEN'S FATHER DIES

The sympathy of the entire campus went to Otto Nielsen on the death of his father July 28, at his home in Alamo, Texas. He had been ill for some time.

As Dr. Granville Walker recalled, Otto's father had endeared himself many years ago by furnishing the palm leaves used by the children of University Christian Church at the Palm Sunday processionals. His loss is deeply felt by his many friends here.

OoooooOoooooOoooooO

PURELY PERSONAL

Capt. RANDY HALL of AF ROTC, leaving us after three fine years of work, is hopeful of going to Japan. At last reports, he hoped to meet up with Lt. Col. Luther O'Hern, first AF commander on campus, now stationed in Japan.

Dr. and Mrs. M. E. SADLER are on an extended visit to the East and North. They planned visits in many cities and are scheduled to wind up at the International Convention of churches in Toronto.

LOGAN WARE, hard-going major domo of the Student Center, is up-and-at-'em again after an operation to remove that obstreperous disc which gave him so much trouble last spring.

RAYMOND ((Curly) WOLF and wife Martha spent a week of their vacation in Mineral Wells. To break the long trip, Bear reported that the party spent the night in Weatherford. O, well!

L. C. (FOOTSIE) WHITE, who becomes business manager on Sept. 1, has had a busy summer. Visited the ROTC group at Camp Hood (and had picture snapped on the firing range) and later took off for the cool mountains of Colorado. Reports have it that the fish sought cover from the fishing Whites. Or was it the other way around?

Purely Personal (continued)

DEAN A. T. DeGROOT sent postcards from many spots in Europe.

The AMOS MELTON family is vacationing in Colorado. Fishing was on the agenda and since we haven't heard from them, the chances are they are eating fish from cans.

TO ALL FACULTY MEMBERS - Concerning commencement.

The faculty is reminded that Baccalaureate Services for the summer graduating class of 1955 is to be held in University Christian Church at 9:30 a. m. Sunday, August 21. Commencement will be held in Ed Landreth Auditorium at 8:00 p. m., Friday, August 26. All faculty members -- not just those who have taught during the summer --- are most cordially requested to participate in the processional for the two occasions.

In order to assist the marshals in arranging seating space, please indicate in the following blanks whether or not you intend to be present at the graduating exercises. Please submit this information to John L. Wortham (School of Business) or E. C. Polk (English Department), marshals.

I plan to attend the Baccalaureate Service. Yes No
