SPRING SCHEDULE MEETING

LET'S HELP WITH HOMECOMING

Just about the biggest homecoming ever is scheduled for the campus this weekend. All divisions--students, exes, administration and the football forces--have banded together to plan things out to the last detail. The faculty, of course, can really help by attending as many events as possible and by making all former students really feel at home.

Just by way of review, here is the schedule:

Friday

- Open house in all Schools and departments (all day).
- 6:00--Ex-Lettermen's Banquet, Hilton Hotel.
- 5:30--Journalism Exes Banquet, Colonial Country Club.
- 7:00--Business Ex-Students Banquet, Weatherly Hall.
- 8:00--"Old Faces of 1952," Little Theatre.
- 8:30--Giant pep rally, steps of library, followed by snake dance.
- 9:15--Bonfire, West Quadrangle.
- 9:30--Student-Exes dance, Student Center Ballroom.

Saturday

- 8:15--Reunion breakfasts, Classes of 1930 and 1935, Student Center.
- 9-11--Open Houses, Science Building, School of Business, Brite College, Home Economics, School of Education.
- Homecoming coffee, Waits Hall.
- 10:30--Homecoming Parade, downtown.
- 11:15 --Annual Ex-Students Association meeting and luncheon, Student Center.
- 2:00--Game with Rice.
- 5-7--After-Game get-together, Student Center.
- 8:00--"Old Faces of 1952," Little Theatre.

Sunday

Special Services all campus churches.

These are the main events but there will be other things, too. There's an exhibition of the works of our exes in Fine Arts Gallery. The parade will be about the biggest of all time with 25 floats entered. Four prizes will be awarded. There'll also be an award for the best decorated dormitory.

Everybody concerned has really put in a lot of time and done a great deal of work. The presence of faculty members goes a long way to making many of the events a success. Too, we might all be a bit understanding with the students who are working so hard on the program. Let's make it a real WELCOME HOME to the exes.

Will be seeing you all over campus.

BOW OF THE WEEK TO COACH MARTIN

Like the rest of the city, the campus has buzzed this week over the prowess of our football team and Jimmy Swink. For his terrific job with the team over a three-year period, this week's deep bow from the Bulletin goes to ABE MARTIN.

It is also good to see that Abe is getting his just deserts in the public press. No one ever deserved them more. And while saluting Abe, it is good to remember the fine work of Allie White, Walter Roach, Fred Taylor, Poss Clark, Bruce Craig, Dutch Meyer and all the others in Athletics. Their's is no easy job and they've done it most nobly.

Incidentally, in case you missed it, we must pass on Allie White's comment during the Frog Club meeting Monday. Showing the film of the Texas game, the first time Jim Swink ran with the ball Allie came out with: "That No. 23 is a guy named Swunk or Swank. He's only a junior and we expect fine things of him." It brought down the house.

Since Monday is a holiday, tickets will not be available until Tuesday, Nov. 28. Tickets are \$2.75 for a date. ONE additional ticket at \$1.50 for a date.

All Air Science Students participated in Veterans Day Parade, Thursday, Nov. 11, and hope their absences will be excused from 9 a. m. to 1 p. m.

Incidentally, since there will not be a Skiff until late next week, the faculty can really help by passing the word along to their classes the first of next week. It will really be appreciated.

WEDNESDAY ADDED TO HOLIDAY

We hope that everyone received the notice from Dr. Lindley's office that the Thanksgiving holidays have been extended until 5:30 p. m. Monday, Nov. 28. That means the holiday begins at 10 p. m. Wednesday and extends through Monday, except for the evening College classes which will meet Monday night as usual.
