

TEXAS CHRISTIAN UNIVERSITY
FORT WORTH, TEXAS

January 12, 1956

Dear Colleague:

The Religious Emphasis Week Program on the Texas Christian University campus will be held this year during the second week of the Spring Semester, namely February 12, 13, 14 and 15. The executive Committee which is planning the activities for this year is desirous that the program extend into the classroom where such is possible.

The plan is for each department in the university, so far as is possible, to schedule a lecture by the regular professor of the class (in most cases) on some phase of the relation of religion to the particular course. It is anticipated that each department will be able to offer a minimum of at least one such lecture to one class. The Executive Committee needs to know several items in order to list the lecture on the printed program. Please fill out the form below and return same to Comer Clay, Ad. Bldg. 214, by January 23 if you desire to participate.

Cordially yours,

Comer Clay

- I will present a lecture to one of my classes and will welcome attendance by other students or faculty who desire to hear the lecture.
- (a) Title of lecture (for the printed program)
- (b) Day and hour:(do not use 9:00 am, Feb. 13 or 10:00 am, Feb. 15 because of Assemblies)
- (c) Bldg. and room number:
- (d) Name of lecturer:(if other than regular professor whose name is signed below.)
- I will present the religious implications of my subject to at least one class during religious Emphasis week. However, I do not feel that the class should be open to the public generally (for various reasons, such as space, etc.)
