THE EVANSES COME CLOSE  
THE HOME STRETCH

Just seven weeks from this Friday, on June 1, our spring Commencement exercises will be held on the quadrangle in front of Student Center. As one of our devotees to the sport of hoss racing might say (if we had any), the long session is in the home stretch.

Official calendar dates to remember:

April 23-27, Counseling for Summer Session

May 28-June 1, Final exams

May 27, Baccalaureate, Ed Landreth Auditorium

June 1, the above mentioned Commencement.

In case you missed it, our own William E. Wright (BA '40 and BD '43) will preach the Baccalaureate and Dr. Theodore A. Distler, executive director of the Association of American Colleges, will be Commencement speaker. Both will receive honorary degrees.

From reports, the Fourth Army inspectors gave our campus and ROTC unit a fine It won't be long now. Oooooooooooooooooo the Board dining room, Quite impressive.

A NOTE ON CAMPUS SALESMEN

The following is from Dr. D. Ray Lindley, vice-president:

Attention has been called to the fact that salesmen of various types frequently call on staff members on the campus. This is contrary to our University policy.

It is the desire of the Administration to protect the staff from interruptions of this kind. Any salesmen approaching any staff member on the campus should be referred to the Business Office and should be informed that permission from the Business Manager is necessary for any solicitation of any staff members on campus.

Max Butler and McKie Trotter are richer for the 19th annual exhibition of painting and sculpture of Tarrant County. X X X worth Art Center on April 3. Max bagged \$150 for his drawing "Blackbird and Pomegranate" and McKie netted \$35

CANCER FILMS TO BE SHOWN

The Tarrant County unit of American Cancer Society will show two educational films in Student Center April 18 and 19, Maybelle Tinkle announces. They are "Man Alive" and "The Warning Shadow" and will be shown at 9, 10, and 11 o'clock on April 18 and at 9:30 and 11 a. m. the next day. An additional film, "Breast Self-Examination" will also be shown at the 11 o'clock hour on April 19.

Faculty and students are invited to see these instructive shows, Mabelle reports.

### THE EVANSES COME CLOSE

Young "Chip" Evans, handsome and captivating son of Dr. and Mrs. Leslie P., took second place in the baby contest that featured the first anniversary celebration of Student Center last week. He got a lot of first-place ballots from the crowd and woulda won for sure if he didn't take so much after his dad.

Sara Marie Hassell, daughter of Jeff and Mrs. Hazzell in Brite, took top honors and Kathryn Ann Richardson, daughter of Mr. and Mrs. George L. (he's a junior student) was third.

The whole celebration idea was swell and Miss Libby Youngblood and her folks can take a deep bow. 'Tis said that even Logan Ware enjoyed the free coffee. (If you get a bill, just file).

OooooooooooooooooO

### ARMY INSPECTORS PLEASED

From reports, the Fourth Army inspectors gave our campus and ROTC unit a fine rating after last week's annual inspection. Under the leadership of Col. Jim Cross we really put the best foot forward. For the luncheon in the Board dining room, Juanita Owens broke out the new silver and dishes. Quite impressive.

Among our folks attending: Ray Lindley, Cecil White, Jerome Moore, T.F. Richardson, Bear Wolf, Comer Clay, Amos Melton.

Incidentally, Hartwell Ramsey gave the executive committee of the Exes Association Board the same full treatment in the Board room on Saturday.

### OUR ARTISTS COP THE CASH

Max Butler and McKie Trotter are richer for the 19th annual exhibition of painting and sculpture of Tarrant County that opened in the Fort Worth Art Center on April 3. Max bagged \$150 for his drawing "Blackbird and Pomegranate" and McKie netted \$35 in prize money for his casein painting "Sand Spit."

The show goes on through May 6. Others represented in the show are James and Donna Sterritt, Students Robert Sunkel, Charles Dubuius, Jerry Redus, Pete Tumlinson and former students Charles Williams, Gene Owens and Pauline Reed. Drop by if you can get time. Well worth it.

Incidentally, Max Butler's one-man show in San Antonio was moved to the Art Institute there for a two-week showing.

CIVIC CLUBS TO EAT AND VISIT  
SORORITY GRADES HIGH

During the next few weeks, five civic clubs of the city will hold their weekly meetings. Miss Youngblood and others who have been working so hard with our sorority groups were mighty proud of the grade reports from the fall semester. As you know, a girl must have a 1.0 to pledge and 1.2 to be initiated. The group averages for last fall: Alpha Delta Pi 2.12; Kappa Alpha Theta 2.01; Kappa Kappa Gamma 1.95; Tri-Delta 1.87; Chi Omega 1.85; Kappa Delta 1.84; Alpha Gamma Delta 1.80; Zeta Tau Alpha 1.77. Mighty good, we'd say.

CIVIC CLUBS TO EAT AND VISIT

During the next few weeks, five civic clubs of the city will hold their weekly luncheon in Student Center and then tour the campus.

The schedule: April 12 (this Thursday) Southeast Side Lions; April 17, Downtown Civitan Club; May 1, Downtown Lions Club; May 11, Sertoma Club; May 24, Downtown Kiwanis Club.

The Downtown Lions and Kiwanis are very large clubs and will be split into groups for the campus tour. All visitors will see Fine Arts Building, Robert Carr Chapel, Lewis Collection, Science Building and Student Center. There's nothing like letting folks SEE what we are doing.
