

LAST SHOWINGS OF "COUNTRY GIRL"

TWO ATHLETIC CHAMPIONSHIPS?

If dauntless Dutch Meyer can keep his baseball team agoin', our athletic department may come up with two major Southwest Conference championships in a single year for the first time since 1951-1952. Then it was football-basketball. This time it may be football-baseball.

Considering the fact that the Frog diamond team has won only one previous title (under Dutch in 1933), the showing of this year's team is most remarkable, no matter what happens from here in.

The climax comes this weekend when the SMU Mustangs, two games behind in second place, duel the Frogs here Thursday afternoon and in Dallas on Friday. A split in the series will give the Meyermen a firm foot-in-the-door position. All faculty folks are cordially invited to watch the fun.

NEW ASSISTANT IN INFORMATION SERVICES

Starting next Monday, young James L. Lehman takes over a new post in the division of Information Services. His job: To help any and all areas of the university to prepare brochures, catalogs, throw-away sheets and other promotional material, handle all school advertising and other things.

Jim's a graduate of the U. of Texas (BBA in Advertising) and has been with the Santa Fe railroad the last two years. An army veteran, he served 16 months in Japan. Although he has a full 26 years, you'll swear he's only 18 or 19 and maybe an enter- ing freshman.

With his training and experience, he's a top hand with promotional pieces and should help us all in the area of getting needed materials through the printers. Incidentally, he's a pianist and composer, holds a card in the American Federation of Musicians. Jim is married and has a 10-months-old daughter.

All those with printing and promotional problems are invited to make young Jim's acquaintance after he gets settled.

SCIENCE OPEN HOUSE DRAWS CROWD

All divisions of Science can take a deep bow. Their "Open House" last Friday night was a honey and hundreds of folks, including many prospective students from high schools, spent pleasant hours looking at the sights.

Leo Hendricks and Ina Bramblett were co-chairmen and did a really swell job.

### LAST SHOWINGS OF "COUNTRY GIRL"

"Country Girl," final offering of drama division for the regular season, has its last performances in Little Theatre Thursday, Friday and Saturday nights. It's a very fine production.

Pat Record, assistant in Ex-Students Office, does a top job in the role made famous by some female named Grace Kelly who recently moved abroad. The small cast is excellent in every way. The offering, incidentally, drew high praise from critical downtown critics.

### GREEKS' SING-SONG A SMASH

The second annual sing-song by campus fraternity and sorority chapters in Brown-Lupton ballroom Sunday afternoon was something to see -- and hear.

The young people, all dressed up and obviously well rehearsed, really impressed a jam-packed house. Sixteen groups, eight fraternities and eight sororities, presented two songs each and it made for a most pleasant hour-and-a-half program. Congrats to all who had a part. Next spring, the event may have to be moved into Ed Landreth, it's growing that big.

### ENROLLMENT HEADS UP AGAIN

Our folks who know about such things are predicting another sharp upswing in TCU's enrollment for next fall. Dean Richardson is pretty positive it will be 10% or more. Our overall totals for 1955-1956 (including all sessions) was 6,556, an increase of 13% over 1954-55. And as you know, we have an all-time high spring enrollment of 4,538.

Elizabeth Shelburne has been very busy indeed trying to get all her girls situated for next fall. Indications are that we'll have three girls in every available room and more space will be needed.

Incidentally, plans for our two new dormitories are well along and they should be ready in 1957. But that's not gonna help much in 1956. Looks like we're gonna have a full house for sure.

### ORDER YOUR ACADEMIC ATTIRE NOW

Faculty members desiring to rent any part of their academic attire for commencement are requested to contact Mr. White's office as soon as possible so that orders can be sent not later than May 10.

LIONS CLUB VISITS CAMPUS

That large group of distinguished businessmen on campus Tuesday was the Fort Worth Lions Club. They had luncheon in the Ballroom and then took conducted tours of the campus with Otto Nielsen, Jerome Moore and Bear Wolf acting as guides. They seemed impressed.

Again such folks as S. W. Hutton, Glenn Sparks, Ed Dale and others did a fine job of showing off our buildings and answering questions.

Still to be our guests in the future: May 8, East Side Kiwanis; May 11, Sertoma Club; May 24, Downtown Kiwanis. Others are interested.

WANTED: SUGGESTIONS ON A CONFERENCE

Lorraine Sherley announces that TCU has been chosen to host the Seventh Annual South-Central Renaissance Conference in the spring of 1958. The purpose is to bring together scholars of all the humanities -- letters, languages, history and art -- to share with one another the rich contributions that the Renaissance made to Western Culture.

While it seems a long way off, Miss Lorraine is anxious for everybody to start thinking now. All ideas will be appreciated.
