

BACCALAUREATE AT 9:30 SUNDAY

Opening the final week of the long session and leading off our graduation events will be the Baccalaureate service Sunday morning in Ed Landreth. As usual, University Christian Church will be in charge. Rev. William E. Wright of Kings Highway Christian Church, Shreveport, will give the sermon. He is one of our "own" and holds both B. A. and B. D. from TCU.

Faculty members in full regalia are asked to assemble at 9 a. m. in front of Jarvis for the processional. It is hoped that just as many as possible will take part in this service which is so significant to our graduates.

And don't forget Commencement at 8 p. m., Friday, June 1, in front of Jarvis Hall. Dr. Theodore A. Distler of Washington, D. C., director of the Association of American Colleges, will be the speaker.

TCU CHOSEN BY LOCAL GIRLS
BACK-PAT FOR THE ROTC FOLKS

Annual ROTC Awards Day last Friday was the best yet. All members of our Army and Air Force commands can take a deep bow from Lt. Cols. Bob Davis and Jim Cross right down through the ranks.

Of course, the National Guard boys in the tanks weren't sure how many guns they'd fired in the salute to Gen. Hall, but aside from that everything went very well indeed.

NOTE FROM BOB FUNK

The Bulletin is happy to pass along this communique from Robert W. Funk: "Since the Bulletin is replete with personal references, I should like to use this medium to bid farewell to friends and acquaintances on the staff. The Harvard Divinity School has condescended to have me around to teach a little Greek and New Testament. Best wishes to all of you, both personally and in your work."

Incidentally, Bob will have an article, "The Enigma of the Famine Visit," in the June issue of the Journal of Biblical Literature. The paper was originally read at the national meeting of the Society of Biblical Literature in December last.

TCU CHOSEN BY LOCAL GIRLS

Miss Libby Youngblood, our indefatigable student social director, reports that TCU is a strong choice among Fort Worth high school senior girls for their educations starting in September.

In a conference with Panhellenic leaders of the city, it was disclosed that 63 girls contacted by the group indicated they will enroll with us next fall. The other choices: University of Texas, 26; North Texas State, 27; Texas Tech, 24; Oklahoma U., 7; SMU, 9; Baylor, 7; Arlington State, 6; and TWC, 5. It is a significant poll and most gratifying.

WANTED: MATERIAL FOR THE "FROG HORN"

Work on compiling the 1956 edition of the student handbook, the "Frog Horn," is now underway and the help of all is solicited.

If staff or faculty members know of any changes that should be made -- such as new campus organizations, old ones that no longer are active -- are requested to get the information to Libby Youngblood in Student Center.

As you know, the "Horn" is sent out to all of our incoming freshmen in August and is also used for promotion and other things. So it is important that it be as accurate as possible. If you have a moment, look through the 1955 edition and pass along any suggestions to Libby. They will be appreciated.

NOTES ON NOTABLES

JIM SOWELL will dedicate the Northwest Christian Church in Oklahoma City on May 20. Incidentally, he ordained the pastor of the church some years ago.

LEO HENDRICKS and DAN JARVIS did a standout job with the annual meeting of the Permian Section of the Society of Economic Paleontologists and Mineralogists at the Hilton Hotel recently. The program, field trip, and guide book were largely TCU affairs. Leo, Graduates Henry Ohlen, Doyle Whitaker, Garner Wilde and Bill Russell were on the program. Dr. Hendricks conducted the field trip to Parker County. A gang of our own students attended the event. Fine work, men!

As per usual, the Faculty Bulletin will be published on a regular basis during the summer months.
