"All students who expect to receive degrees at August commencement should contact their counselor in order that their petition sheet may be submitted for inclusion with the August 24 graduating class."

WORD FROM WALTHER VOLBACH

Comes a card from wandering Walther Volbach mailed in Stuttgart, Germany. He reports "a hectic time in Vienna and Munich" and that impressions are interesting but not always pleasant. He will visit in Switzerland and England before heading for home.

BOB DAVIS GETS TOUR EXTENSION

The campus will be delighted to hear that Lt. Col. Green R. (Bob) Davis, professor of Air Science, has received a year's extension of duty at TCU. The popular ROTC family will be with us until at least the fall of 1957.

As Bear Wolf said: "Hot dog. The bowling team is still intact!"

NOTES ON FOLKS:

JEROME MOORE has been named to the committee on standards and reports of the Commission on Colleges and Universities of the Southern Association. A fine honor.

That singing recently was "Happy Birthday" to T. F. RICHARDSON who becomes Dean of Admissions September 1.

The mother of SGT. JACK O'BRIEN of ROTC died recently in New York. He attended the funeral.

L. L. DEES, that grand young man of the maintenance division, suffered a heat stroke last week, but is back on the job and doing well.

BOB DAVIS (see above) made a flying fishing trip to Gunnison, Colo., recently. Said he caught his limit every day -- of course.

DUTCH MEYER and PETE WRIGHT are in Alaska. Can't wait to hear all their stories.

L. C. WHITE is also in Colorado these days. The AMOS MELTONS will be heading in that direction July 20.

HAZEL WOODWARD underwent an operation a month ago and will not teach the second six weeks of Summer School. However, she plans to return in the fall. She is home and doing nicely.

RAY LINDLEY and the missus returned from a trip to Mexico. Had a lot of fun apparently.

IKE HARRISON is back from a tour up East.
