23rd July 1998

Professor Arthur J. Ehmann,
2537 Boyd Avenue,
Fort Worth,
Texas 76109.

Dear Art,

Enclosed are the following samples:

Slovak, 3.5 x 10 x 0.75 cm rectangular slice, 114 g.

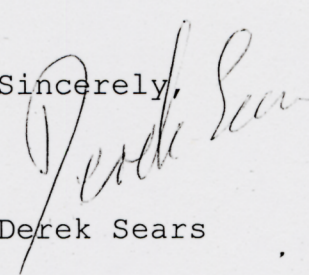

Slovak, 10 x 8 x 0.5 cm traingular shaped slice, polished both sides, 100 g.

Fayetteville, 2.5 x 3 x 1 cm roughly triangular shaped slice, showing light-dark structure, 16 g.

Sent to you in exchange for a 365 g, polished and etched sample of the Hope meteorite.

With best regards,

Sincerely,

Derek Sears
