The "Note on the Mart and Bluff Meteorites" was in our Bluff reprint file. Brian is scheduled to be back on Monday (9/26). I will have a visitor on Monday and may be tied up Tuesday and Wednesday in a training session on Glenn's new EDS computer system. I will for sure talk to him the first opportunity I get next week. Glenn's e-mail address is mnhms044@sivm.si.edu. Good luck! Linda
