

R. F. STEVENSON

County Surveyor, Briscoe County, Texas

SILVERTON, TEXAS 3/19-40

Mr Oscar C Moring

Fort Worth Tex

Dear Mr Moring

I received yesterday the cut
etched section of the Floydada meteorite also
the photograph which I thank you very much
I am proud of it and glad you gave me
instructions to handle it carefully
I will keep the stone I have until I see you
it has a thick crust & looked very old
it is different from any I have seen
meighr 9 a2

Yours Respt

R F Stevenson
