Dear Mr Manning

Your letter of Oct 31  
You stated you were  
ready to cut the iron  
I have been looking  
patiently to receive it  
The photograph you sent  
me was fine many thanks  
for it, I am still  
holding the two pieces  
of stone mentioned I  
write you about I  
would like for you to  
see them

Best wishes  
Yours Respt  
R F Stevenson
