Dear Mr Manning

Received your nice letter  
of Oct-31 which you stated  
you was sending me a  
Photograph under separate  
cover I have not received  
it. I am getting anxious  
to see the cut of the iron  
I have the two stones  
I wrote you about  
hoping you will visit  
out here in the near  
future

Yours Respect

R F Stevenson
