Dear Mr Monnig:

I apologize for not having answered your letter sooner, however we have been very busy and just let the time slip away.

*know?*  
I do ~~not~~ know Mr Leo Morris, he has lived in this country for several years. In fact I sold him a tractor in November. His address is Elida N Mex, I will probably see him this week and will advise him you have asked for his correct address.

In regard to our past due account we are making every effort to reduce our accounts and will be able to make a payment if not in full by the end of the month.

Respt.

Wall & Son.
