Dear Mr. Carter:

We, the pupils of the Fifth and Sixth Grade of Montague High School, wish to thank you very much for your generous donation to our book fund. It enabled us to clear the debt entirely. We have gained so much information, as well as pleasure, from our books, and wish for you and your business, a year of great success. If we can influence anyone, at any time, to subscribe for your great newspaper, we will gladly do so.
