1926Mr. Amon G. Carter,
Fort Worth Record-Telegram,
Fort Worth, Texas.

Dear Ame:

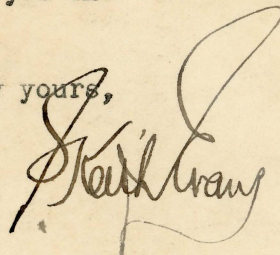

Your Wednesday morning edition of the Fort Worth Record-Telegram came in this morning, which shows that you and Shuman are right on the job.

I went over this issue page by page and certainly was very much impressed with your skill in newspaper making.

I hope that some day soon you will induce the air mail pilot to tuck you in with him, so that we may see your smiling face here. When you come, bring along a set of implements and I will give you a chance to sharpen your wits on first tee traders. I will be your partner as a matter of protection and as a means of paying the expenses of the airplane trip.

With best regards to you and
Shuman,

Sincerely yours,

SKE-V
