

**FORT WORTH CLUB**  
FORT WORTH, TEXAS

May 18, 1926.

**TO OUR MEMBERS:**

You will find herewith your Club's forty-first annual financial statement for the year ending April 30th, 1926, also a financial statement of the Fort Worth Building Corporation covering the completion of the new building. The Building Corporation, being a necessity during the financing and construction period, is now in process of merging with the Club proper.

It is a real pleasure to be able to submit to our membership the results of our efforts for the past year, during which time the new Club has been completed, furnished and is now being occupied.

The Board of Governors are using every effort possible to operate the Club on a practical business basis. The barber shop, dining room and cafe, bowling alley, billiard room, swimming pool and gymnasium are now in full operation and their success depends on the co-operation and patronage of our membership.

We have now reached our full quota of 700 members and the matter of a further increase in our membership is a subject for your consideration.

Sincerely,

AMON G. CARTER, President,

O. P. HANEY, Secretary.
