PERSONAL

Mr. A. G. Carter,  
Fort Worth, Texas.

Dear Sir,-

Herewith my check for \$50.00 covering the election bet made on Frank Clarity's car last January. This is one bet that I can pay without reluctance. I have read with much satisfaction your frequent editorials and articles dealing with the campaign, particularly Lynch Davidson.

When you were here last you expressed the desire for a new Panama, such as I sent you last year. I have just received several of these hats and are mailing you two today, one for you and one for Jimmy North.

With kind regards, I am

Sincerely yours,
