TRIBUNE TOWER
CHICAGO

September 3, 1926.

Colonel Amon W. Carter,
The Star Telegram,
Ft. Worth, Texas.

My dear Colonel Carter:-

In a book on After Dinner
Speaking which I am preparing I wish to include
examples of the best efforts of such well known
speakers as yourself.

May I have something from
you? What I would like to have is part of one of
your most popular talks--something that you have
found by experience to be "sure fire" with an aud-
ience. I think you will appreciate the value of
such a quotation in a book of the kind.

And if you have at hand one
or two of your best after dinner stories, I would
value them also.

Trusting that I am not impos-
ing too greatly upon your time and kindness, and
assuring you of my eagerness to reciprocate in any
way possible, I am

Yours sincerely,

Wilbur D. Nesbit
