Fort Worth, Texas.

Dear Amon:-

The next regular meeting of the Board of Directors of the College is scheduled for May 23rd. It is more convenient for the membership to meet at some central State point than regularly at Lubbock. To meet elsewhere in Fort Worth than in your offices would seem foreign and unnatural, and I write to inquire whether it will be wholly convenient for us to meet with you, or in your Club Room. If it meets your convenience, the meeting will be called to convene there, and it goes without saying that we should be exceedingly glad to have you meet with us. There certainly should be no sensitiveness on your part with respect to that feature. We shall always be grateful for your counsel and advice in addition to the support which of course we can count upon.

With kindest regards and best wishes,

Yours truly,

Clifford B. Jones
