Mr. Amon G. Carter,
Fort Worth Star-Telegram,
Fort Worth, Texas.

Dear Amon:

In your letter of the 16th you mentioned that it has been a long time since we have seen each other. In this you are correct and it brings forcibly to my mind the knowledge of increased responsibilities taken on by us year after year. However, it is a pleasure to look back and feel that our time has not been wasted, but by putting into action the fruits of our labors something worthwhile has been accomplished.

Do you remember selling "extras" on the streets in Dallas in the evenings after business hours, and also the Boedekers and the Elite Cafe? It hasn't been so long ago.

With best wishes, believe me

Very sincerely yours,
