Dear Mr. Carter:

I am sure you have had a nice, comfortable Christmas, but I could not let 1926 pass out without saying to you that I appreciate you.

I want to tell you that it is a privilege to number you as one of my best friends. You have said things and caused me to do things that no doubt mean much in my life. You put it upon my heart to have our business where it is and I just want to thank you for it. We have not had a remarkable year, but, as all others, a satisfactory year.

Permit me to wish for you 1927 as being one of the best years of your history and even though you have been in the public harness a long time, may Fort Worth always look upon you as one of its greatest assets.

Yours very truly,

*F. A. Martin*
