## Directors Meet January 19th; Carter Convention Chairman

AMON A. CARTER

Publisher Fort Worth Star-Telegram,  
who has been appointed chairman  
of the Tenth Annual Conven-  
tion Committee.

Announcement of January 19 as the meeting date of the West Texas Chamber of Commerce executive board, appointment of the general executive committee to handle the tenth annual convention of the organization; announcement of Amon G. Carter as general chairman of the convention, and location of the Fort Worth office of the West Texas chamber in the Texas Hotel ground floor until after the convention has been made by Homer D. Wade, manager of the West Texas Chamber of Commerce after a conference between Wade and E. H. Whitehead, representing the West Texas organization and Amon G. Carter, Bob Miller and Al Shuman of the Fort Worth Association of Commerce.

It was also decided to change the dates of the annual convention tentatively set for June 11-13. This on account of a conflict of dates with the Republican National Convention and other events which would have interfered with the convention. Definite dates for the convention will be fixed by the executive board at the January session. May 29-30 was favored by members of the committee.

Location of the Fort Worth office in the Texas Hotel was decided upon after invitation to occupy the quarters rent free was tendered by the hotel management, because of the need for additional space preceding the convention. Amon G. Carter will be luncheon host to the

West Texas executive board, the general convention committee and directors of the Fort Worth Association of Commerce at the Fort Worth Club at the January 19 meeting. This meeting is expected to be the most important session of the directors for the entire year.

Personnel of the convention committee as appointed by Chairman Carter are: R. E. Harding, T. B. Yarborough, A. E. Thomas, William Bryce, W. C. Stripling, William Monnig, John F. King, F. E.
