Oscar E. Monnig,
29 Chelsea Drive.
Fort Worth 15.
Texas.

Dear Mr. E. Monnig,

received your letter, which I was just waiting for, before despatching the two meteorites. By taking both I brought the price down to two dollars a lbs. I have been in the mineral game many years and can give you as reference countless American firms, and you can take my assurance that these two are definitely Gibeon irons. Do not worry. They will be shipped from Cape Town, and charges will be carried forward to collect on arrival. Will be insured for sum stated.

I will reweigh them today and get them packed as well,

Thankyou,

yours faithfully,
S.Pieters.
