Dear Mr Monnig,

2.11.67.

in reply to your letter dd. Sept 26th.

Most of the listed meteorites were removed to Windhoek and are kept here at the local gardens and are declared as national monuments.

The meteorites that you got are not listed and are newfound material, but all from the same shower and come from Kameelhar. The stolen one was rediscovered in the republic and is most probably back here, and also will be proclaimed a monument. No more are allowed out of the country, so I do not think that I will be able to purchase anymore.

Re the stolen one. There was a big court case about it, and the culprits were punished.

Kind regards,

Sid Pieters.
