Dear Sir:

We are in receipt of documents covering your above shipment from Parry, Leon and Hayhoe, Limited in Cape Town, South Africa.

In order to help us clear the shipment through Customs in your behalf, we must have the precise description of the subject commodity. Please let us know what this cargo is used for. If it is precious or semi-precious stone, etc., this information must be presented to the Customs before effecting the clearance of the shipment.

Our fees for clearing this shipment through Customs will be \$25.17, including pier charges, and we were asked to collect a C.O.D. charge for Parry, Leon and Hayhoe, Limited in the amount of \$89.37. Please let us have your check for the total amount of \$114.54 by return mail.

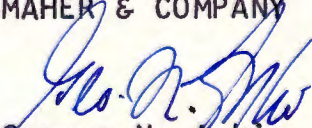

If it is revealed that this shipment is dutiable, the duty will be sent on a "collect" basis via the truck line who will forward your shipment to Fort Worth.

If you would rather let us send this shipment to Fort Worth In Bond where you can attend to clearing same through Customs at that end, our fees will only be \$17.67.

The above vessel is now due in Houston on June 13. Please let us hear from you as soon as possible.

Very truly yours,
