Mr. S. Pieters,  
P. O. Box 3013,  
Windhoek,  
Southwest Africa.

Dear Sir:

I have been worried in not hearing from you after I wrote July 6th that I would take the meteorite at the rate of \$2.50 a pound.

I asked you to ship it insured and well packed, properly invoiced, and had told you previously that my port would be Houston, Texas, U. S. A.

Please let me hear from you. I hope the meteorite has been shipped and is on its way.

Yours sincerely,
