Dear Mr. E. Monning,
just received your letter dated 16th instant.

To answer:

The meteorite is a true meteorite. Of that you have nothing to fear.

I will accept the price of 2.50 per lb. for it. Payment can be after you receive it. I will also assist you, in sending it as a free gift to save you a lot of extra expense. On an article like this, I can offer it as a gift. You will have to pay all other expenses.

However my shipping firm, in Cape Town can insure it for any amount that you wish to set upon it.

I got your address from your advertisement in the, Rockhounds T ader.

This particular meteorite is I am told by the owner is of nickle-iron. The owner is an old man, who was the mines Inspector for the German government prior to the 1914 war. There is no doubt about it at all. All I am now waitin for is for you to accept my offer.

Thanking you,

yours faithfully,

S. Pieters.
