Dear Mr. Morring -

(again I find myself
apologizing to you. Thank goodness
for your southern patience and
gentlemanliness.

I shipped the pieces off today. Mr. Huso
should have ~~X~~ them Monday. Enclosed
are the labels (the only information) that
came with the pieces. The postage
was \$11.92, and \$100 for the Mezo
Moderas piece. As soon as I've located
my Lybian glass I will send them.

Yours truly,
Florence Bahl
