Dr. Andrew Graham
British Museum (Natural History)
Cromwell Road, London SW7 5BD

Dear Andy:

Glenn Huss passed your letter on about the unknown meteorite from India, possibly Gurram Konda. I would be willing to send our specimen to you if you wish. Could you make a thin section for me too? I don't plan to work on it, but would like to have a section for our collection.

Let me know if you want me to send the specimen. I enjoyed meeting you and attending my first meteoritical meeting. I am trying to get the Monnig Collection organized and look forward to more meteorite research.

Sincerely,

Arthur J. Ehlmann
Chairman

AJE/ljc
