TO: Native and Indigenous Student Association
SUBJECT: New Organization Approval

Dear Morgan:

The Student Organizations Office has received and reviewed your application to charter a new student organization. As of today, your organization, Native and Indigenous Student Association, is approved as an officially recognized student organization at Texas Christian University.

This approval is contingent upon successful completion of our mandatory New Student Organization Orientation which must be attended by at least 1 (one) current organization officer.

The date of your MANDATORY orientation is Friday, November 11 from 12-1pm. Your orientation will take place in the Student Development Services office located in suite 2003 of the Brown-Lupton University Union (BLUU).

At this orientation your organization will complete the final steps necessary for full recognition including review of all local and federal risk management precautions, review of rights and responsibilities of recognized TCU student organizations, and training and authorization of use of our required online organization management system, OrgSync.

Keep in mind that it is the responsibility of the organization to understand and uphold the rules and policies governing TCU student organizations. This information along with all of our trainings and workshops can be found online at www.studentorgs.tcu.edu.

I look forward to working with you and Native and Indigenous Student Association at TCU. If you have any questions or concerns, please do not hesitate to contact me.

Best,
