~Preface~

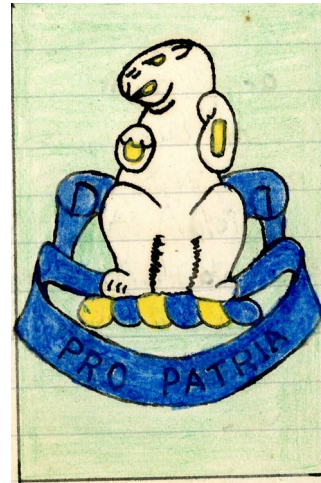

This book is the property of technical sergeant Smith Lowry Green (6259356), Headquarters Company, 31st. Infantry. In it will be found addresses, rosters, poems, articles, memoranda, recipes and other odds and ends picked up while a P.O.W. under the Japanese. This book will be a condensation of other note books, pieces of paper, squad rosters etc. I hope to have in it all that I want to carry out of this mess and keep as a souvenir.

This little book was
