AMERICAN METEORITE MUSEUM

OPPOSITE METEOR CRATER ON HIGHWAY 66

★

POST OFFICE BOX 1171
WINSLOW, ARIZONA

July 10, 1948

Mr. Oscar E. Monnig,
1010 Morningside Drive,
Fort Worth, Texas.

Dear Friend Monnig:

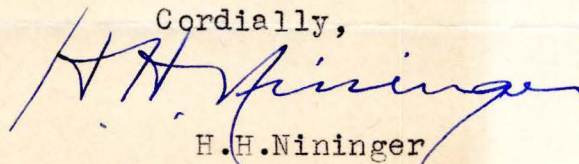

Thanks for the news of your success in securing the large stone. Keep it until I come your way, or until you come out this way. When I get and cut into it you shall have a specimen for your collection.

I will attend the M. S. Meeting in Albuquerque so if not before you might bring it there. Thanks again for your help. Let me know when I can do the same for you.

We will be prepared to pay for the specimen when we receive it.

A number of your friends have been to see us, among them, Mrs. Farrell and John Alden.

Cordially,

H.H. Nininger
