Mr. Oscar E. Monnig
29 Chelsea Drive
Fort Worth, Texas 76134

Dear Mr. Monnig:

I have talked with Dr. Brown and he says he will be glad to display the Hawkins meteorite in the museum in an attempt to obtain information concerning when, where, and by whom found. He hopes to consult with you on a meteorite problem when you are here.

We look forward to seeing you.

Sincerely,

Richmond Bronaugh
